Sequoyah Elementary School Parent Teacher Association (PTA)

Proudly Presents:

Class of 1990 plaque in the center of the Courtyard

SAVE THE SEQUOYAH SUNDIAL!

One of the PTA's goals for this year is to revitalize the Courtyard with a Garden. The center of the school used to be a sundial and it is no longer functional. The inaugural class of 1990 at Sequoyah Elementary School has a plaque of dedication that is faded. A committee of 2014 parents, alumni and staff met to determine that we will start small, but start at the heart and very center of the school with bringing back the sundial. In 2015, Sequoyah Elementary School will be 25 years old and we want to work hard on creating an inviting space and connecting the community!

COURTYARD IMPROVEMENT VISION STATEMENT:

Involve Sequoyah parents, Sequoyah students, Sequoyah staff/teachers, Sequoyah Building Services staff, Sequoyah administration and community members representing Montgomery County Rainscapes program, Boy Scouts, Girl Scouts, Master Gardeners, supporting businesses and Sequoyah alumni to improve the courtyard located at Sequoyah Elementary School in order to incorporate the space as an educational opportunity for hands-on implementation of Curriculum 2.0 and a relaxing space for staff and students to utilize a safe and secure outdoor classroom. The methods will be determined by a Garden committee, made up of representatives of the above-mentioned organizations, but ideally would include raised bed planting space for each grade-level, a pond and a butterfly garden, with incorporation of a brickyard landscape in conjunction with a brick fundraiser. Determination of a Spring 2015 dedication ceremony date to celebrate the 25th year of Sequoyah Elementary School with a "garden party" will need to be set, where members of the community, elected officials, garden committee, etc. will be invited. A plan for a maintenance schedule will need to be determined to keep the garden in lasting condition for the future classes at Sequoyah Elementary School in the next 25 years.

Asociación de Padres y Maestros Escuela Primaria Sequoyah (PTA) se enorgullece en presentar:

Placa de la Clase 1990 en el centro del patio.

GUARDEMOS EL RELOJ DE SOL DE SEQUOYAH!

Una de las metas de la PTA para este año es de revitalizar el patio con un jardín. El centro de la escuela solía ser un reloj de sol y ya no es funcional. La clase inaugural de 1990 en la Escuela Primaria Sequoyah tiene una placa de dedicación que se desvaneció. Un comité conformado por 2014 padres de familia, ex alumnos y personal se reunió para determinar que vamos a empezar poco a poco, pero comenzarán en el corazón y el centro de la escuela con traer de vuelta el reloj de sol. En el 2015, la Escuela Primaria Sequoyah celebrara 25 años de existencia y queremos trabajar duro en la creación de un espacio acogedor con conexión de la comunidad!

ESTADO DEL PROGRESO Y VISION DEL PATIO

Involucrar a los padres de Sequoyah, estudiantes, personal de Sequoyah, profesores, personal de mantenimiento, administración y miembros de la comunidad que representan el programa Montgomery County Rain capes, Boy Scouts, Girl Scouts, Jardineros, empresas de apoyo y ex alumnos de Sequoyah para mejorar el patio situado en la Escuela Primaria de Sequoyah con el fin de incorporar el espacio como una oportunidad educativa para las manos-en la aplicación del Plan de Estudios 2.0 así como también un espacio de relajación para el personal y los estudiantes a utilizar un lugar seguro y protegido al aire libre. Los métodos serán determinados por el comité de jardinería, compuesto por representantes de las organizaciones antes mencionadas, pero lo ideal sería incluir el espacio planteado, cama de siembra para cada nivel de grado, un estanque y un jardín de mariposas en relieve, con la incorporación de un paisaje en conjunto con una recaudación de fondos de ladrillo. La determinación de una fecha de ceremonia de dedicación tendrá que ser establecida en Primavera 2015 para celebrar el 25 aniversario de la Escuela Primaria Sequoyah con una "fiesta del jardín", donde se invitará a los miembros de la comunidad, funcionarios electos, el comité de jardín, etc. El mantenimiento del programa tendrá que ser determinado para mantener el jardín en buenas condiciones para las futuras clases en la Escuela Primaria de Sequoyah con el fin que sea duradero en los próximos 25 años.
